Your complete guide to this issue's BONUS VIDEOS

This issue comes with 9 full-length bonus videos: There are three XXX scenes with jizz-hungry newbs and six solo sluts.

As always, these bonus videos are absolutely free. There are no strings attached. They can be played on your PC, laptop, Mac, iPhone, iPad, smartphone or tablet. You can stream them in your home or on the go! No email, credit card or personal information will be requested. You'll also get a free digital version of the entire issue so you can take *Naughty Neighbors* anywhere you go. After you're finished jacking off to your favorite cutie in this magazine, head online and watch other stunning amateur babes cum in HD.

Here are the highlights of this issue's bonus scenes.

Melissa loses a bet and has to strip. She wants to do it, so it doesn't take much convincing. She's a small, flat-chested youngster with a wet pussy and a pristine asshole. We think she lost on purpose!

Aubrey is wearing a schoolgirl outfit. She's nineteen, five foot three inches tall and weighs a scant hundred pounds. She describes herself as a hopeless romantic with a dirty mind.

Blonde Brooke drops her jean skirt! She's young and bubbly, and she tells us all about how much she loves having her asshole licked and riding the faces of men with beards.

Sophia loves blue-collar guys. She's a 20-year-old brunette college student with a thing for gruff, older guys. She lets a repairman slide his thick cock into her snug cunt. She rides and grinds in his lap until he nuts on her cheeks and eyelashes.

Miranda's debut scene is a banger. She's done some modeling before, but she's never gone nude. Here, she lets our most-hung stud plow her little 18-year-old slit.

Mia is an exceptional blonde teen. This 18-year-old Tampa, Florida native is brand-new to adult modeling, but that doesn't show in her very first interview. She talks for a few minutes and then masturbates.

Elizabeth is a Bush Baby for the ages. She gives you a tour of the sexiest parts of her body. That includes light caresses down the nape of her neck, soft nipple pinches and sensual clit stroking. Her bush takes center stage.

MILF Violet gets stud cock up her ass. The 46-year-old divorcee gets her pussy eaten and her face fucked, but she begs for a finger and then a cock in her tight backdoor.

Valentina is painting her new house. When she gets some paint on her clothes, she figures she might as well work in the nude. She gets naked and then decides to masturbate.

Behind Closed Doors

Discovering the shocking kinks & fetishes of girls-next-door.

Featuring: *Violet*

Age: 24
Height: 5'1"
Lives: Tennessee

We asked Violet why she thinks she's kinky enough to be in this feature. "I'm a cum addict," she responded. "Like, I'm a freak about cum. I want it up my ass, down my throat or shot deep in my cunt every day. My dream would be to have a bukkake with at least five guys. If they all gave me creampies, I would want to scoop their loads in my fingers and swallow all of their cum. It makes me wet just thinking about it."

Camila

Madrid, Spain

Our photographer complimented Camila on her choice of underwear. He asked her if she bought them specifically for her photoshoot. "Of course, yes," she replied. "I love buying lingerie and underwear. The last guy I dated commented that he didn't see me wear the same thing twice. I love how fuckable I look in skimpy G-strings or thongs and how cute I look in cheeksters and boyshorts. I match my underwear to how I feel that morning when I wake up."

"I like to be dominated," Camila explained to us after she dropped her panties. "I'm a total submissive when it comes to sex. My friends always say that I'm loud and outgoing at clubs or parties, but when I'm with a guy, I want him to take control. I like to be choked a little bit when I'm fucking, but only if I can see the guy's face while he's doing it. I like to look into his eyes while he's deep inside my pussy or ass."

Camila likes it rough.

"I just hooked up with a guy who said he was dominant. He asked me if he could slap me a little bit, but then he gave me the softest baby taps. He was definitely uncomfortable with it. We ended up just having slow, gentle sex for the night."

"Because I spend a lot of time online, guys always try to hit me up in my messages. They almost always use stupid pickup lines I've heard a million times. Like, oh, really? You're asking me if I am sore because I fell from heaven? That's so lame! It's even worse when guys try to ask for nudes without even saying hello first. I've had nice conversations with men that lead to me sending them naked pictures, but it takes a while to get there."

ANGEL GOSTOSA

VIOLET SPICE

No matter where you go or how far you travel, you're never too far from a horny, young girl needing her pussy filled with thick cock. These five beautiful newcomers are girl-next-door types, but they're sexier and more willing to experiment than most. They take thick cocks in every position before receiving hot, sticky loads.

I Fucked my Neighbor 4

ANGEL GOSTOSA

Angel lets globs of spit fall from her mouth as she blows our stud, but all that saliva is nothing compared to how wet her pussy is once he slides his cock in. Angel bounces her ass up and down as she rides him, then stops to let the guy drill her pussy. She finishes her scene by swallowing cum.

SUMMER COL

We paired Summer up with a hung stud so that she could show us her moves. She didn't disappoint us. She's a pro at sucking cock, and her little slit is so tight and juicy looking, it had our photographer rock hard as he was shooting Summer's scene.

Kira is a naturally horny 26-year-old who was only supposed to shoot a solo scene, but she got so horny, she demanded a cock. Her cunt was dripping wet, and our stud unleashed an epic pounding, making her cum twice.

ARA MIX

Because Ara is very petite and the cock sliding into her pussy is the size of her wrist, we asked her if she likes them large. "I do! I like them smaller, too. If a guy is good at foreplay, pretty much any size can do the job. But a big one makes cumming easier."

VIOLET SPICE

Violet doesn't waste any time. As soon as she met our stud, she kissed him passionately, gripped his rod, got on her knees and started sucking his soul out of the tip of his cock. She's a very naughty 24-year-old, and she didn't care that Jack is twice her age. In fact, it made it hotter for her.

WHICH MUSICIAN FUCKS BEST?

Who plucks and who blows?

According to an online poll, trombonists know how to blow the socks off of ladies. The poll of 2,000 people asked respondents to rank by instrument the best sex they'd had with musicians. Sorry to all of you oboe players out there! You ranked the worst. Here's the list:

DID YOU KNOW?

There is a theory that the longer your finger, the higher your testosterone. The idea goes that if your ring finger is considerably longer than your pointer (or index) finger, you may have received a higher dose of testosterone from your mother while in the womb.

Historical Libido Killers

Since you're reading our magazine, we know your libido is probably roaring like a Testarossa on a straightaway at the Fiorano Circuit. But throughout history, there have been scientists and moralists who wanted to turn strong-schlonged men like yourself into half-strength Huffys. The following are surprising inventions designed to tamp down libidos. Don't worry; none of them could conquer the most natural and glorious thing in the world: the human sex drive.

Cornflakes

In the 18th and 19th centuries, the Great Awakening, religious revitalizations in American Christian history, led people to believe that masturbation and high sex drives led to immorality and were a sign that someone needed to be cured of their provocative illnesses. That's where physician John Harvey Kellogg and his brother enter the picture. John, a zealot of the Great Awakening, thought that eating fats and sweets could lead to increased libido. He consumed only natural and bland foods. John didn't drink, smoke, consume caffeine or eat meat. He also led a celibate life even though he was married, protecting his virginity by having separate bedrooms for himself and his wife. He proposed that his breakfast cereal, Corn Flakes, made from toasted flakes of corn, could cure the public of their desires for sensual pleasure. John's brother Will was less of a religious zealot, and although he helped create the dull breakfast cereal, he thought they would sell better with a little sugar added to the recipe. The brothers bickered and eventually split their business. Will created the Kellogg Corporation, now a

Sophia

Minneapolis, Minnesota

Our photographer noted that Sophia is taller than him. "Oh, yeah," Sophia replied. "That happens a lot. I was taller than my first boyfriend, and he was insecure about it. But I don't really care if a guy is taller or shorter than me. As long as we line up in the right places in the bedroom! I don't even have a preference for big or small cocks."

Our photographer also complimented Sophia on her freshly waxed pussy. "Thanks! It was my first time getting it waxed. I usually just shave, but I figured this was a special event for me. It tastes even better than it looks, by the way," Unfortunately, our photographer isn't allowed to lick the amateur girls we shoot. We know, it sucks. Such is life.

Sophia enjoys creating art, hanging with friends and playing the ukulele and guitar. She played volleyball and hockey growing up. "I can still hold my own in a pair of skates," she told us. "It's great exercise and a lot of fun. Plus, the hot shower afterward feels amazing. Sometimes I'll rub myself until I cum in the shower and basically melt into a puddle after a long, exhausting game."

You can still taste it!

"I like pretty much everything about sex except anal. I like getting my butt licked, and I'll lick a guy if he wants, but full anal kinda hurts. I've tried it before, and I'll try it again, but it'll be a while. I'll also use a lot more lube!"

Joey

Dayton, Ohio

Joey is a MILF whose husband took these pictures. And hubby doesn't stop her from getting wild when she finds the time. "Before I was a mom, my husband and I would partner swap with friends or at clubs. It's hard now because our schedules are demanding, but I still like showing off. Sending in these photos to your magazine is a way for us to have some kinky, exhibitionist fun still."

"My craziest sex was with two 25-year-olds," Joey said. "I invited them over and opened the door for each of them totally naked and told them what I wanted: double penetration. Neither of the guys was too keen at first, but some cock sucking and me doing myself with my toy soon changed their minds. I was very fair to them. We did it twice so that each of them got to cum in my pussy and my ass. That was heaven!"

Tongue exercise with Joey.

"I'm very oral. I love sucking cock. I snagged my husband by giving him a great blowjob on our first date. If a guy can lick me until I cum, then I don't even care how good they are at penetration or how well-endowed they are."

Kira

Cleveland, Ohio

We featured Kira in her XXX debut last issue, and now we've got her giving a poolside pussy show just for you. Kira's a naturally horny sexpot who loves to get off. "I literally can't help myself. I used to masturbate while driving on road trips to see my long-distance boyfriend. I had to stop because it was so dangerous!"

WHY
NOT

"I tried to work as a stripper, but it wasn't a good fit for me. First, the hours suck. Second, every time hot guys came in, I would practically beg for them to fuck me. My manager hated me because of that! Anyway, now I scratch my exhibitionist itch by sending nudes to guys I like. Some of them are in relationships, but, like, who doesn't like getting random nudes?"

Let's get a hole in one.

"I've been thinking about getting into golf. I like the cute outfits, and it looks like a good time out there on the course. I need a hot, older guy to teach me how to play. I would love to suck a cock on a golf cart, too."

Jojo

Waco, Texas

Jojo is an adorable, barely legal teenager who works at a gas station. She told us that she loves meeting new people. We set her up with a young stud with a hard cock to fuck her tight slit. How was it? We'll let Jojo tell you. "I really liked it because it was comfortable. I still live at home with my parents, so I have to get creative if I want to fuck a guy. Most recently, I got railed in a parking garage by some random I met on Tinder."

"Before the garage guy, the last time I got banged was in my old high school bathroom. That wasn't nearly as good as I got it from your stud. My favorite position is usually doggie-style because I can kinda zone out and focus just on the pleasure. Still, I really liked doing it missionary with the camera pointing at me. I felt so vulnerable and exposed. It was a rush of adrenaline."

Jojo sure knows how to ride a cock. She told us that the skills she picked up on ranches near her home gave her the experience she needed to master the cowgirl position. "I grew up doing trail riding and cattle work. When I was younger, I dated a city boy who had never ridden a horse. He thought I was too manly for him because I worked all day and got dusty and sweaty. He ended up dumping me. That's his loss."

Frosting inside or out?

"Like most girls, I love creampies. They're the best! But guys my age won't do it because they're afraid of me getting preggo. I'm on the pill! I'd never tried a facial before these photos were taken, and that's a lot of fun, too."

TAILS UP!

Show me your ass while you take my cock, baby!

Everly Haze

There's nothing better than a clear view of a tight, delicious asshole while a chick is bouncing on your cock. And these girls love showing off their assets as they cum. Everly told us, "I like a little backdoor play, and switching to doggie style is my way of saying 'you can touch it.'" Beautiful Bea explained, "I know guys are obsessed with assholes, and I have a nice one, so why wouldn't I show it off?"

Bea Luna

Alice Visby

Alice was the homecoming queen of her high school. She's always been popular. Looking at her tight, puckering backdoor, it's no wonder why. Her fuckholes deserve to be on full display! Alice told us that she's a fan of showing off her behind. "I was never a fan of butt play or anything like that until one day, a guy licked my butt while eating me out. It was so good. From that day on, I love it when guys pay attention to my ass."

Ava Sparxxx

Brie Viano

Sera Moon

Unlike the other girls here, Brie isn't a fan of too much attention being paid to her butthole. "I've never been a fan, and I don't see what the big deal is," she told us. But when we politely asked her to show it off, she was a good girl and bent over. Daisy is the flip side of that coin. "I go through waves of not wanting butt sex at all to wanting my ass thoroughly eaten and fucked."

Daisy Dahl

"I find porn super empowering," Jade told us. "I like that I'm in control of my image and how I'm seen. I like feeling good about my body and receiving compliments. Your stud kept telling me that just looking at my ass made him want to cum." Little Lexi Lore is young and new to sex, but she told us, "I know what guys like. It's not complicated; they like seeing tits, pussy, and ass."

global leader in the food industry. John sued for control over the original recipe but the courts ruled in Will's favor. The brothers never reconciled even though they both lived into their 90s.

Roller Coasters in America

LaMarcus Adna Thompson was, by all measures, an innovative and successful man. While living in Indiana, he invented a seamless stocking-making machine that did very well and filled his pockets with cash in the late 19th century. Flush with funds, he turned his focus to his true passion: morality. Disgusted by saloons and brothels, LaMarcus foresaw America's destruction being caused by drunkards fucking and losing their religion. He sold his company and set out to become the savior of his country. Inspired by nearby coal mine carts running on long tracks, he created the first roller coaster in America. He thought that fun, wholesome and thrilling entertainment could divert men from entering taverns. His first design was 600 feet long and 50 feet high. He named it the Switchback Railway, and he had the perfect place to put it. Coney Island, on the seaside of New York City was, in his eyes, the center for wickedness and hedonism in America. Although the Switchback Railway didn't cure anyone of their libidos or their thirst for liquor, LaMarcus did make a fortune. He only charged a nickel per ride when it opened in 1884, and he made around $600 a day, which, adjusted for inflation, is over $18,000.

Graham Crackers

Have no fear the next time you stack up your marshmallow and chocolate for some s'mores. Graham Crackers won't cut down on your sexual impulses. Sylvester Graham, inventor of Graham Crackers, thought that they would, especially masturbation. Sylvester marketed them that way, too. He was a Presbyterian minister who wanted to help people whom he saw as suffering from immorality. A

vegetarian, just like John Henry Kellogg, Sylvester thought that spices and sugars were corrupting people and causing them to masturbate uncontrollably. He invented his namesake crackers without using processed flour or chemicals. To say that they were boring would be an understatement. Reports state they were hard, brown, square-shaped biscuits made of dried saturated flour. Graham and the people who followed his lifestyle, calling themselves Grahamites and following the teachings of Grahamism, would bake these new crackers daily as part of their strict diet. Nowadays, Graham Crackers contain honey, brown sugar and cinnamon to add a little panache, which would probably peeve old Sylvester. But he's been dead since 1851, and his Grahamites distanced themselves from the movement after Sylvester drank alcohol and consumed meat on his deathbed, trying to give himself more strength. So, enjoy your s'mores and then have a delicious wank.

Mimi

Palm Bay, Florida

Mimi is so cute wrapped in a big blanket while sipping a cup of tea. "It was really cold when my boyfriend took these pictures," she explained to us. "It was at my folks' house. We're all Floridians, and we had a cold snap, so my parents decided to high-tail it south for some better weather. They left me alone. I invited my guy over, and we screwed like rabbits for almost a whole week. My pussy was so sore! We did it at least twenty times."

"My boyfriend and I are so horny for each other. It's ridiculous. When we hooked up, he had much more experience than me, so I was self-conscious about looking like an idiot. He was lovely about it. He was nurturing. He taught me how to deep-throat his cock. He taught me how to massage his nuts when he's about to cum. He's also been hinting at teaching me how to do anal, but I don't know about that one. My ass is really small."

Mimi describes Utopia.

"I love lounging around the house naked or in just my bra and panties. I get the appeal of nude beaches and nude resorts. It's so comfortable to be free with my body. I wish we didn't have to wear clothes in our society."

Marlemm

Kiev, Ukraine

Merlemm is a naturally busty youngster with a body that'll make any man drool. Her shaved fuck hole is nice and pink with lips that you can imagine rubbing against your shaft as you fuck. "I'm not a slut," Marlemm told us. "I just get super horny sometimes and make rash decisions about who and where to screw. Recently, I've hooked up behind a grocery store, in the bathroom at a coffee shop, in a car and in a park. When I'm feeling frisky, I just can't help myself!"

In addition to fucking, Marlemm enjoys swimming, listening to music, snowboarding and cooking. She told us she's a great home chef who aspires to own a restaurant someday. "I like going to guys' houses and cooking. We can put a movie on in the background and spend a few hours making a meal. If a guy knows how to handle a knife and how to cut vegetables, he probably knows how to use his hands for other things, too."

"I've always had the biggest boobs of all of my friends. I like my body a lot, and I'm happy to have big tits, but I think every woman's body is attractive. I'm bisexual and have hooked up with several of my friends. Some have been flat-chested, some are heavier than me, some have big, juicy butts, and I loved every second of touching, kissing, licking and sucking their bodies."

She likes experienced men.

"The oldest guy I've ever slept with was in his sixties. He was hitting on me at the train station, and one thing led to another. We ended up back at his apartment and had sex. It was over quickly. I want to try it again with an older guy."

Kara

Detroit, Michigan

"I'm screwing one of my clients," said Kara. "There are no rules in my profession about not doing that, especially when he's a 40something divorced guy who's really sexy and super cool, has a tongue like a lizard, and frequently visits Miami on business. That's where I posed for him. He's just my fuck-buddy; we're not going to get serious. I just like that he takes me on vacation."

She's hungry for cock.

"One time in college, I blew three guys at the same time. I wanted to let them fuck me so bad, but it was my time of the month. So, I offered them all blowjobs. They took turns on my mouth until they unloaded on my face."

ered their track and field. Naismith grabbed two wooden peach baskets, an old leather ball, a handful of nails and a claw hammer. He beat the nails through the baskets into the lower lumber-frame rail of an elevated running track in his stuffy gymnasium. They were exactly 10 feet from the ground. Basketball was born that day, although perfecting the rules would take some time. The first game was a bloodbath. Kicks, punches, scratches and bites left the young players bruised and maimed when the final whistle blew. But Dr. Naismith, then just 31, knew he was onto something.

How about a bit of one-on-one?

As a YMCA lecturer and educator, Naismith used his religion as a motivator to keep young men morally and physically chaste. He taught sex education and preventive medicine. He alleged that, in his professional opinion, athletics could lead young men toward religion and lower libido through exhaustion and teamwork. Years later, in 1917, Dr. Naismith, then 55, enlisted in the American Armed Forces in Europe as a

spokesperson to the troops on the prevention of venereal diseases and to promote the game he had invented. He created basketball tournaments and taught young GIs the rules. The military hoped this would reduce the need for patrols routinely sent through local red-light districts. There was a rash of venereal diseases in the military at the time, and even though basketball isn't a cure for sexual urges (ask Scottie Pippen or his seven kids), it did help the sport become what it is today, a fun game played by over 400 million men and women worldwide.

Circumcision

We know what you're thinking. Removing men's foreskin has been around for ages. You're right! Circumcision has been around since around the 23rd century BCE, but its popularity in the United States (between 77 and 81 percent of American men are snipped) traces its roots back to keeping boys from masturbating. Up until the mid-1800s, circumcision was thought of as a Jewish practice, owing to religious requirements in the Old Testament. The operation was usually only performed on non-Jews to cure pernicious infections or other medical issues. However, due to the same religious and moral uprisings in America that gave us every other item in this article, circumcision became a way to keep boys from touching their dicks. Masturbation, religious leaders of the time thought, could cause epilepsy and psychosis. Their theory was that inflammation between the foreskin and the penis tip could cause itching, teaching boys that touching themselves would provide relief. That could lead to them slapping the salami, which would lead to insanity and an early grave. An 1893 entry in a medical journal written by M. Clifford also suggested that circumcision could sever nerves in the penis, removing pleasurable feelings. It's obvious now, given the high number of circumcised men holding this very nudie magazine, that all of those efforts were in vain. Flesh turtleneck or not, not much can keep us men from jerking off.

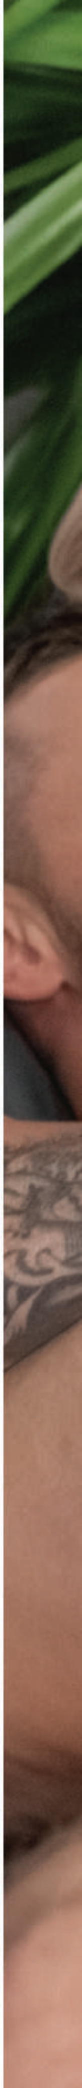
Una

Saint Petersburg, Russia

Una just started university. She wants to pursue a degree in biology and biochemistry. What a smart cookie! She's also a sexy piece of ass, even if she is relatively inexperienced. "I lost my virginity later than my friends. I was so scared of ending up pregnant or getting hurt by boys that I ignored them for the most part until I moved into my dormitory and had to see guys all the time. That's when I realized what I'd been missing."

"The first time I gave a blowjob, it was after student orientation. The guy giving the presentation stayed late to answer questions. I was the only girl who stuck around. It happened so fast. We were chatting and flirting, and he made me feel so naughty. I ended up on my knees between his legs as he sat on a desk. I remember slowly taking his cock in my mouth. I have no idea how long I sucked him for, but he came in my mouth."



"The floodgates opened after my first casual hookup. I wanted to try everything. I went on a date to the movies with a guy who was helping me in class. I gave him a handjob in the theater. I let a guy lick my asshole as we 69ed in his dorm room. I waited until I found a guy who took a long time to cum to lose my virginity. I didn't know how it would feel, and I wanted to make sure he could last long enough for me to enjoy myself."

She's hiding in plain sight.

"I'm still a very private person. I don't tell my girlfriends that I'm hooking up all the time. If you were to see me on the street, I usually wear long dresses, leather boots and jackets. I like having a wild, sexy secret life."
